1. INTRODUCTION:

Maharashtra Institute of Mental Health (MIMH) is a state level, apex government institute working in the field of mental health, established in 1991 by the Government of Maharashtra. This institute works under administrative control of Medical Education and Drugs Department of State Government. This institute is recognized as a 'Centre of Excellence' in the field of mental health by the Ministry of Health and Family Welfare, Government of India.

MIMH provides comprehensive and holistic mental health services for the prevention & treatment of mental health disorders and also for the promotion of positive mental health in the society. MIMH provides tertiary mental health care, to patients all over Maharashtra and adjoining states. It caters to the clinical needs of both acute and chronic persons with mental illness, through inpatient and outpatient services using clinically relevant multidisciplinary approaches. There is also a special outpatient department for the assessment & certification of children with psychological disabilities. A day care center for the psychosocial rehabilitation of patients with psychiatric disorders is also available. Psychometric testing and counseling is also being carried out routinely. It also provides high quality forensic psychiatric and legal mental health evaluation & treatment for prisoners and criminal offenders with psychiatric disorders sent from court or prisons. It also offers consultation liaison services since it is attached to the large government run Sassoon General hospital.

This institute offers different courses in mental health for creation of trained manpower in Clinical Psychology, Psychiatry, Psychiatric Nursing and Psychiatric Social Work. The institute has built a beautiful mental health complex on its own land at Pashan, Pune and institute is recently shifted to Pashan campus. M.Phil. in Clinical Psychology course is affiliated with Maharashtra University of Health Sciences, Nashik and recognized by Rehabilitation Council of India, New Delhi and Government of Maharashtra.

2. **AIM:**

The aim of this course is to prepare the trainee to function as a qualified professional Clinical Psychologist in the areas of mental and physical health by offering Diagnostic, Therapeutic, Rehabilitative, Administrative services, and to work towards promoting the well-being and quality-of-life of individuals.

3. **OBJECTIVES:**

The course is developed as a rigorous two-year program with extensive theoretical inputs and widespread clinical experience to acquire the necessary skills in the area of Clinical Psychology. On completion of the course, the trainee is expected to perform the following functions:

1. Diagnose mental health problems.
2. Conceptualize specific adult and child mental health problems within a psychological framework, giving due consideration to psychosocial/ contextual factors, and carryout relevant treatment/management.
3. Apply psychological principles and techniques in rehabilitating persons with mental health problems and disabilities.
4. Work with the psychosocial dimensions of physical diseases, formulate and undertake focused/targeted psychosocial interventions.
5. Work with community to promote health, quality-of-life and psycho-logical well-being.
6. Undertake research in the areas of clinical psychology such as, mental health/illness, physical health/diseases and relevant societal issues viz. misconception, stigma, discrimination, social tension, gender construction, life style etc.
7. Undertake responsibilities connected with teaching and training in core and allied areas of Clinical Psychology.
8. Undertake administrative and supervisory/decision-making responsibilities in mental health area.
9. Provide expert testimony in the court of law assuming different roles.

4. ELIGIBILITY CRITERIA:
